DETAILED ACTION

Response to Amendment

1. This Office Action is in response to Applicant's Amendment dated September 29, 2008 in response to USPTO Office Action dated April 20, 2008.

The amendments to claims 1 and 10 have been noted and entered in the record.

Claim Rejections - 35 USC § 112

2. The following is a quotation of the second paragraph of 35 U.S.C. 112:

The specification shall conclude with one or more claims particularly pointing out and distinctly claiming the subject matter which the applicant regards as his invention.

3. Claims 1, 10 and 19 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.

Each of claims 1, 10 and 19 include the phrase "displaying on a display of a display device a first graphic **type** indicative of a processor usage" and "displaying on said display device a second graphic **type** indicative of an application assignment"

In each of claims 1, 10 and 19 the multiple use of the word "**type**" to an otherwise definite expression extends the scope of the expression so as to render it indefinite.

(Ref. MPEP 2173.05(c)), pg. 2100-223)

4. Dependent claims 2-9 stand rejected in that they depend from independent claim 1.
Dependent claims 11-18 stand rejected in that they depend from independent claim 10
Dependent claims 20-27 stand rejected in that they depend from independent claim 19
